[Taking the Raspberry Pi plunge](#)

I've been considering getting a Raspberry Pi for a while. Several folks have asked me if I would port my

along with some "fixins." I got the Model A Pi, along with a WiFi dongle, and a cute little enclosure.

Review

Logging and data modes with PZTLog

I am making more contacts and so I really need to centralize my logging. After looking at a number of programs I opted to give Charlie Davy's (M0PZT) freeware PZTLog a try and after using it for a couple of weeks I am very impressed.
